Tel No: 079-23253286

Date: 21 /10/2016

To,

Regional Deputy Director – All
Chief District Health Officer –All

Subject: Regarding Health camps under “MA” Yojana.

Reference: - Approval received from Principal Secretary (PH & FW) and Commissioner (Health) on N/18 of ISA part-2 File.

With reference to the aforementioned subject, Under “MA” Yojana as per the MoU signed with the empanelled hospitals, **“The Network Hospital shall conduct Health Camps at least once a month at the designated Taluka.”** However, I have been observed that such camps are either irregular or non effective. Considering these camps’ current performance, state has decided to recognize it in such a way that such camps can be utilized optimally and can give maximum benefits to the poorest to poor of the state. So, as per the revised “MA” health camps, activities are to be as followed:

1. Geographically, All the RDDs will prepare a list of CHC’s, Sub District/District Hospitals of their region district wise.
2. The ISA will request every “MA” empanelled hospitals to select one CHC and one district hospital from the same. The hospital will designate one senior doctor to Sub District/District Hospital and a junior doctor to the CHC of the cluster in which they have been empanelled under MA Yojana.
3. The ISA will share district wise, CHC wise and Sub District/District Hospital wise list of the doctors along with the name, designation and hospitals’ contact no. to the respective RDD and CDHOs.
4. The same list will also be displaced on the “MA” website www.magujarat.com.
5. RDDs will ensure that the places, date and time and type of specialty is displayed appropriately at the hospital.
6. The minimum time for the OPD shall be of 30 minutes.

7. The said specialist will be assisted with a staff nurse and a peon during the OPD time in coordination with the hospital superintendent.
8. He/she will not be permitted to do practice in the hospital premises and will be responsible if in case any complications arises due to the treatment in his/her patients.
9. The specialist will carry basic medicines with them for the OPD patients and will not prescribe medicines from the outside.
10. The reporting shall be the responsibility of the RDD office and shall be through online.
11. For payment purpose for every 4 (four) OPD visits the private empanelled hospital will get Rs.5000/- considering it as one health camp and the amount shall be by the State Nodal Cell (SNC) through RTGS on monthly basis after ensuring the same.

Kindly implement the same on urgent basis under "MA" Yojana.

(Dr. N. B. Dholakia)
